

HINKLEY | FACET

For a profile that is unpretentious, yet unforgettable, view all the sides of Facet. Interesting angles combine with a bold center bracelet to create the edgy and contemporary look. Hexagonal etched glass is showcased by a Heritage Brass center and end caps of the same shape, while the Invisi mount system remains unseen to simply highlight the superior style. Fitted with an integral LED module and crafted to IP44 spec, this head-turner is a great fit for bathroom use too.
